Professional Profile

- Self-motivated college student with excellent science and critical thinking skills. I came to the United States in December 2013. I am fluent in both Arabic and English.

Experience June 2017 – Current

Undergraduate Research Assistant, Kennesaw State University, Kennesaw, GA

- Working with Dr. Michael Stollenz, to synthesize planar chains of multinuclear cuprous and gold centered complexes under inert conditions using Schlenk technique. These structures contain highly photoluminescent properties applicable to the formation of OLEDs.

May 2015 – Current

Sales Floor- Merchandise flow team member, Target Corp, Milton, GA

- Act quickly to resolve guest concerns. Work independently and with a team. Cross train and work in other areas of store as needed. Provide fast, fun and friendly service. Maintain a clean, great-looking store.

June 2015– January 2017

Sales Associate, Gap Inc., Alpharetta, GA

- Exemplify an optimistic and energetic presence through team collaboration while building strong relationships with customers to maximize customer loyalty.
- Demonstrate a customer centric mindset by role modeling selling behaviors with a passion for the brand, customer and product.

February 2016 – July 2016

Intern Dental Assistant, Diab Dental Implants & Periodontics, Kennesaw, GA

- Performs and participates in decontamination, cleaning, assembling, packaging, scanning, sterilization, storage and distribution of reusable surgical instrumentation and equipment.
